

WOLF BRANCH BAND BOOSTERS

Welcome to the Wolf Branch Band Boosters! If you have a child enrolled in band, you are automatically a member. Although Wolf Branch has two band programs, one at the elementary school and one at the middle school, we have one organization that assists both bands. The primary purpose of the Wolf Branch Band Boosters is to support the band students and the director of bands, Mrs. Linda Tessereau. Much of this support comes from parents attending and helping at musical events and by becoming involved in fund-raising activities to help support the bands financially.

Wolf Branch Band Boosters currently participate in four major fundraising efforts during the school year: Wolf Branch Annual Auction; Mr. & Mrs. Pockets booth at Fall Festival; monthly ice-skating nights at the U.S. Ice Sports Complex in Fairview Heights; and a Trivia Night in February. All these events require adult participation to ensure their success.

We will also need parents to help with fitting and distributing band uniforms, along with chaperoning students on their various field trips and performances.

The Band Boosters and Mrs. Tessereau are excited about another great year with the Wolf Branch Bands! Band Booster meetings are usually held on the third Monday of every other month (The January meeting will be on the fourth Monday because of a school holiday). Our first meeting is Monday, Sept. 15 at 7:00 p.m. in the middle school band room. Please come and find out how you can become involved! If you have any questions, please call Carol Pulse at 236-9660.
